

# Zaytoona

*All of our wines are sourced and imported from North Africa, they are all original, corked wines where the grapes are carefully picked and sourced from the fields of Beni M'tir (Tunisia) at an altitude of 600 meters where the grapes are produced and from vallée de la bekaa located in Lebanon at an altitude of 1050 meters. The wines are also very artisan and clean in flavour consisting of prunes, apricots and blackcurrants giving rich and aromatic flavours.*
